23. Why do you want to be a host parent?

24. If there are any other family members, what are their expectations for involvement with an exchange student?

25. Name of your Y's Men Club:

How long have you been a member of Y's Men?

We have read Article II of the International Constitution and agree to abide by its intent and purpose. We understand the responsibilities of the host family. We agree to confer with our Regional Service Director about the progress of a student placed with us. We further agree to treat any student placed with us as a full member of our family.

#### HOST CLUB COMMITMENT

The Y's Men Club of \_\_\_\_\_ is willing to act as an official Host Club for a YEEP student placed with the above member of our club. We certify that \_\_\_\_\_ is a member in good standing of our organization. We recommend the member and the family as being capable of providing good care for a YEEP student for the period of the placement. We also understand the responsibilities of the Host Club as outlined in section VII of the International YEEP Manual. Our club will provide support and backing to the host family and to the YEEP student.

## INSTRUCTIONS FOR SPECIFIC QUESTIONS

1. Family name: If you have a double or hyphenated name, underline the name you prefer to be listed or called.
2. Address: Avoid abbreviations.
4. Home Telephone: List city or area code, and country code.
6. Other languages: List languages you are familiar with, and estimate your proficiency.
9. Other family members: For example, if one of your parents or another relative lives in the home, please include them.
13. Hobbies and interests: Indicate those areas in which your family enjoys spending free time as individual members or interests shared by family members.
18. Please state if e.g. you would expect a student to help on the farm, attend church regularly with your family, observe a certain time schedule, etc. The questions on smoking and use of alcoholic beverages are very specific. These expectations need to be clear, or exceptions stated under comments.
- 20/21. If you prefer to host a student for less than a school year, do you know another family in your club who would share the hosting experience?
22. Through years of experience, we have learned that it is an advantage to have a family who will get to know the student well, take him/her for occasional trips or weekends, and be there to offer help or advice to the student if necessary.
